Our Story

Sunshine Coast soul. Local rebel heart. Made from scratch. Built to rise.

Born under the same roof as our bold, larger-than-life cousin - The Banana Bender Pub & Burger & Pizza Co. brings a lighter edge to the party. Same energy. Different attitude.

Our Buff Boss Burger heroes premium meat sourced from Maleny Buffalo Farm - real local flavour with serious integrity. Lean, rich and packed with character. No fillers. No shortcuts. Just quality you can taste.

Our pizzas start with slow-rise sourdough, naturally fermented for a lighter, lower-calorie base that's crisp, airy and easier on you. It's classic comfort, re-imagined for the way the Sunny Coast lives.

UNREAL TASTE. NO GUILT. JUST COASTAL CRAFT DONE OUR WAY.
